SIDEBAR: Pauline Cerrilla

Lead in Family Faith-based DVD Released by Family Theater Productions of Hollywood

HOLLYWOOD, Calif. – “Family Dinner” stars up-and-coming star Paulina Cerrilla as the daughter. She was a contestant on season 3 of NBC’s “The Voice” in 2012 and was recently cast in the short film “String Theory.” Cerilla is also a Covergirl makeup model for the Hispanic market. As a singer, she has posted videos of her music that have been seen by tens of millions of viewers.

At 18 years of age, Paulina is more than your typical Mexican-American girl with a mane of auburn tendrils. The “Voice Team Christina” alum has also made her mark in the entertainment industry – owing this to her enchanting vocals and anthemic songwriting in the music industry; and to her undeniable charisma and versatility in the film/television world. Paulina has the hunger and drive necessary in both arenas to create a force to be reckoned with.

Hailing from Texas, the internet sensation songstress found her identity as an artist through many years of development and self discovery. Paulina’s sound draws from various influences, including soul, pop and Latin pop genres. These influences are evident when you listen to her unique melodies that have garnered her over 27 million views on her successful [YouTube channel](#).

“It was a beautiful thing, because I’ve know what I’ve wanted from day one. It’ one of those childhood dreams that I never let go,” said Paulina.

Paulina has latched onto that dream and has taken off, with no intentions of stopping. This mentality has brought her to exciting things happening for her in 2014. She currently has a deal with CoverGirl Cosmetics, as their official “beauty guru”; is producing and starring in films such as String Theory (premiere at Hollyshorts Film Festival); and Family Dinner (premiere Nov. 2014); is working with Awesomeness TV as a host, recurring guest star, and musician networker; and is writing and recording new materials to release.

Whether Paulina is on your living room television, on your laptop screen, on your playlist, on a

stage or silver screen, this multitalented Mexican-American girl will not go unnoticed.

Also appearing in the drama are Gabriel Burrafato as the dad, Julian Curi as the son, Ivone Reyes as the mother and Mark Grossman as the boyfriend. It was written and directed by Anthony J. Sands, and produced by Father David Guffey, C.S.C., National Director of Family Theater Productions in Hollywood.
